GOOD MORNING!

At night's mid-hour the Old Year, yielding to the inevitable, ceased, and was covered with the canopy of the past, at the same time being cleared from behind the curtain of the future, onto the stage of the present, was the infancy of the New Year, and it is in the first dawning of this new morning that we would greet our friends, wishing them all a Happy New Year. The past has been perfect, yet the tremendous increase in our business, seasoned with the fragrant of friendship, has gladdened our hearts and stimulated us to greater efforts for the future. Our aim shall be, without brag or bluster, to treat every one in such a way that they will feel at home in our house, whether they buy of us or not, knowing that the DOLLAR is not the only standard by which to measure friendship.

Respectfully,
THE GUTHRIE CLOTHING Co.

Thousands Have Kidney Trouble and Don't Know It.
How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., One of Swamp-Root Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

The Weather.
The thermometer has stood around zero for 4 mornings; even in the sunshine the atmosphere has been penetrating. The lowest record has been 4 degrees below zero. The ice crop will be abundant.

J. B. Clark, Pontiac, Ill., says, "Surgeons wanted to operate on me for piles, but I cured them with De Witt's Witch Hazel Salve." It is infallible for piles and skin diseases. Beware of counterfeits.
